

# DARTH MAUL

## Book I, Part I

**In the shadows, an ancient enemy stirs. The Sith – practitioners of the dark side of the Force long thought destroyed – secretly work to undermine and eventually overthrow the Jedi Order, the guardians of peace and justice in the galaxy.**

**Two members of the Sith order – Darth Sidious and his apprentice Darth Maul – secretly await their moment to strike. But while Sidious plans an intricate series of deceptions and machinations, Maul grows restless.**

**The moment of revenge is close at hand, and he is unwilling to wait much longer....**
