

Into every generation, a Slayer is born; a chosen one. They alone will wield the strength and skill to fight the vampires, demons, and the forces of darkness; to stop the spread of their evil and the swell of their number.

**They are the Slayer.**

Ok Team Cordy, I think yesterday was a HUGE success! On my campaign trail through Sunnydale High, I met that new student Buffy in the library, her usual hang. We hit it off SO well. Though I think I heard her and Mr. Giles the librarian talking about a silver necklace or something? Sounded a little out of fashion, but maybe it'll look good on Buffy. Who knows?

I also got to chat with Willow, aka my competition for school president! It's adorable to have someone running against me. Vote for Cordy! Either way, it looks like her girlfriend Rose is helping her this time instead of Xander. Rose and Willow are SO cute together! Ugh! Couple goals!

Speaking of which, I met a cute English guy named Spike outside the school last night...he seemed SUPER charming, but maybe a little suspicious? Plus, I heard that the mystery magic shop I talked about last update DEFINITELY got trashed, and they unleashed something pretty scary...hope he didn't have anything to do with that!
