FEB 2014

Oh, I love moving!
New city, new faces,
new things to discover!

An old patient of mine
at Arkham Asylum kicked
the bucket and left me an
apartment building in
Coney Island in his will.

Just in the nick a' time, too,
since my old flame Mr. J left me
a present and blew up the storage
space with all my treasures in it.

Correction, most of my
treasures. That pile of crap
on the back of my bike...
that's the stuff that survived.

WHY ARE
YOU SO HAPPY,
FRUITCAKES? THAT
WAS THE WORST
TRIP EVER!

I'M THE
ONE WHO HAD ALL
THAT WIND MESSIN'
UP MY DELICATE
FUR.

AN' THE
BUGS! DO YOU
HAVE ANY IDEA HOW
HARD IT IS TO GET
BUGS OUTTA THESE
TEETH?!
