

1 BAKEMONOGATARI

OH!GREAT
ORIGINAL STORY:
NISIOISIN

ORIGINAL CHARACTER
DESIGN: VOFAN

I think
I made a
better choice
than moving
out of the
way.

What
should I have
done then?

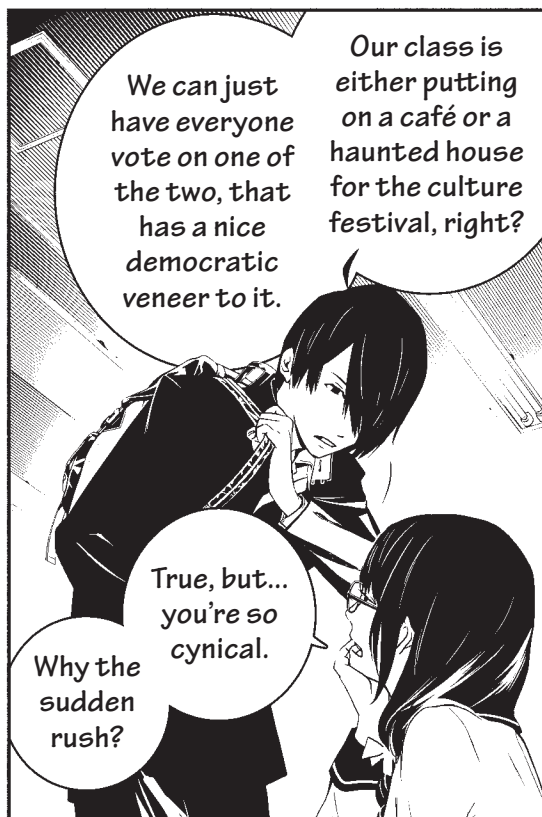

It
happened
this
morning.

Or, I
thought
I did.

Can you
handle the
rest?

Oh.
Ah—
Sorry, I forgot.
Hane-
kawa.

We can just
have everyone
vote on one of
the two, that
has a nice
democratic
vener to it.

Our class is
either putting
on a café or a
haunted house
for the culture
festival, right?

True, but...
you're so
cynical.

Why the
sudden
rush?

Hm?
Umm
...

The
rest of...
what?
We haven't
decided on
anything yet.

Old Man
Oshino
wanted
to see me
today.

I'm going
to that
building.

Mr.
Oshino
?

Really
?

I can't
keep
you,
then.

Please
send
him my
regards.

Yeah.

Hanekawa
owes
Oshino,
too.

I feel a little
guilty about
cutting
things short
that
blatantly,
but...

It's
fine.

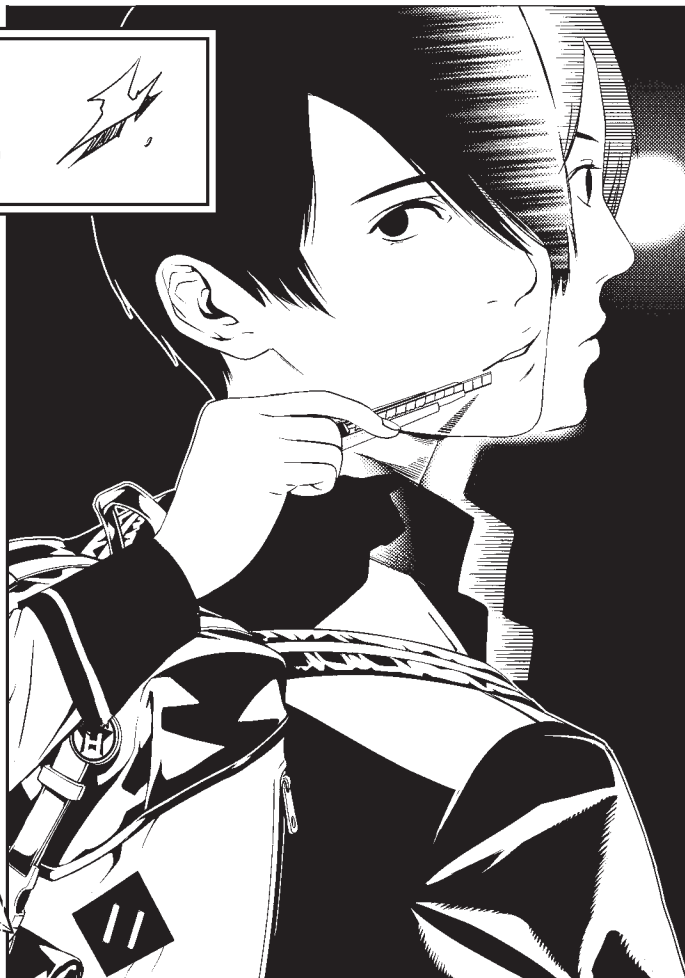

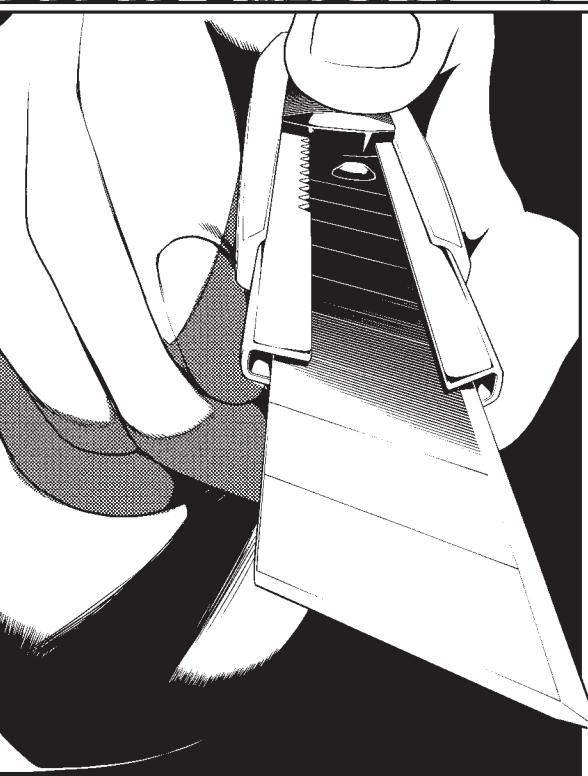

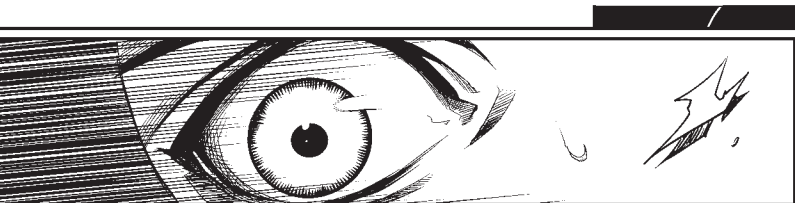

I'm not
lying.

THPP

A black and white manga-style illustration of a character with short dark hair, seen from behind. They are wearing a school uniform consisting of a dark jacket over a light-colored shirt with a tie. They are standing in a hallway lined with lockers. A speech bubble is positioned to the left of the character.

WHAT
WERE YOU
DISCUSSING
WITH
HANEKAWA?

DON'T MOVE.

Oh... no.

I should
have said,
“You can move,
but it would be
very risky.”
